

PREFALL 2009 REFRESHER MATH COURSES

- **Are you unhappy with your math placement on the COMPASS test?**
- **Do you feel anxious about having the skills to be successful in your fall math course?**

Consider enrolling in a 2 credit math refresher course during Prefall Session. Refreshers of both MATH 085 and MATH 095 are being offered for students who are hoping to place higher or refine skills.

MATH 084 – ELEMENTS OF ALGEBRA REFRESHER (Item 3320)

- Fast-paced condensed version of MATH 085
- For students who placed into MATH 085 but hope to place into MATH 095
OR
For students who placed into MATH 095 but want to refine skills before taking MATH 095
- Students may retake the COMPASS test at the end of this course if they want to change placement

This course meets daily September 8 – 17 from 1:00 – 3:30.

MATH 094 - INTERMEDIATE ALGEBRA REFRESHER (Item 3370)

- Fast-paced condensed version of MATH 095
- For students who placed into MATH 095 but hope to retake and place into college level
OR
For students who placed into college level math but want to refine skills before taking MATH 141
- Students may retake the COMPASS test at the end of this course if they want to change placement

This course meets daily September 8 – 17 from 9:00 – 11:30.
